I discussed this very briefly this am with Enrique. I'm afraid I'll need you all to get on this and meet with Superfund re: next steps early next week.

Thanks!

Barbara:

I've been out this week and hopefully returning to the office tomorrow.

John and I have not completed our deliberations on your request and we need to work with Jeff and team as well. We will do our best to respond to you next week.

Of course feel free to call me tonight at my cell.
